Dear Employer:

Thank you for your interest in the Externship Programs at the University of San Francisco School of Law. This handout outlines the Civil/Criminal Law Externship Program’s general requirements and explains what is expected of attorney supervisors who work with our students.

**Introduction**

The Civil/Criminal Law Externship Program allows upper-division law students who meet certain requirements to receive academic credit for unpaid internships they secure with law firms or corporate legal departments; public interest or legal services offices; or the legal department of government agencies or offices, including Administrative Law Judges, district attorney and public defender offices. Thus, the Program provides students with the opportunity to include practical, hands-on experience as part of their law school education, and is intended to ensure a high quality experience for students working under the supervision of experienced practitioners. These internships for credit are referred to as “externships”.

Student participants are required to attend a corresponding faculty-led Externship Course, submit evaluations and weekly timesheets, and complete other assignments. The course focuses on the development of lawyering skills and professional role conceptions, and provides an introduction to litigation skills as well.

**General Requirements of the Externship Position**

The following is required in order for the externship to be approved by the Law School:

- **Location:** Students may enroll in civil, criminal law and judicial externships within and outside of the Bay Area.
- **No Compensation:** As required by American Bar Association (ABA) Accreditation Standards, the externship must be an unpaid position.
- **Supervision:** The student must be supervised by a licensed attorney who has been practicing law for at least two (2) years and is in good standing with a Bar.
- **Units and Hours:** Assuming that the law student meets the minimum GPA requirement and complies with other various law school policies, the student may apply for two (2 (summer session only)) units, three (3) units, four (4) units, five (5) units, six (6) units, seven (7) units, eight (8) units, nine (9) units, ten (10) units, eleven (11) units, twelve (12) units, or thirteen (13) units for the externship, which translates into 94 (summer session only), 141, 188, 235, 282, 329, 376, 423, 455, 495, 528, and 572 hours of fieldwork, respectively, to be completed during the course of the semester.

Please note the following:

- The fall and spring semesters last 13-15 weeks, while the summer session is approximately seven (7) weeks long.
- During the summer session, the thirteen (13) unit, twelve (12) unit, eleven (11) unit, ten (10) unit, nine (9) unit, eight (8) unit, seven (7) unit, and six (6) unit options are not available.

- **Externship Application Submission:** After the student secures an offer from the employer, the student works with the attorney supervisor to complete our Externship Application Packet. The student must submit a completed packet by early August for Fall externships; early December for Spring externships; and mid-April for Summer externships. This means that you would complete your hiring process well before these deadlines.

Externship Supervisor Obligations
Because students pay tuition for each unit, law schools and the ABA expect higher standards of teaching and oversight from an externship supervisor than from the supervisor in a volunteer internship or a paid position. Thus, if you work with a USF extern, please keep in mind the following obligations, most of which are listed in the Extern Supervisor and Extern Agreement (attached for your reference, which the supervising attorney and the student complete when the student is given an internship offer):

- Externs should be assigned projects with clear deadlines and receive on-going guidance for managing the workload.
- Externs should be provided specific, individualized, and timely feedback on each assignment.
- You will review and sign weekly timesheets.
- You will complete written mid-semester and end-of-term evaluations of the student’s work performance.
- Externs should be assigned the same kind of work as a paid law clerk or entry-level staff attorney, including exposure to a broad range of lawyering skills. Administrative work should be kept to a minimum.
- Externs should have opportunities to observe court proceedings, client/staff/strategy meetings, and other appropriate and timely professional events.
- Externs should not be expected to work a significantly higher number of hours than is required by the number of credits sought by the student.

Extern’s Obligations
In turn, the student should follow directions and complete assignments as instructed, seek clarification and advice in a timely fashion, and comport himself/herself with professionalism and integrity. In addition, students cannot be compensated for their work, except for reimbursement of reasonable out-of-pocket expenses related to the externship (e.g., parking fee for observing a court hearing).

Site Visit
In compliance with ABA Accreditation Standards, I conduct site visits to ensure that the employer is providing an appropriate level and quality of skills training in a professional environment. Depending on these visits and communications, please note that the law school has full discretion to disapprove or inactivate an employer from participating for any period of time.

“Free-Market” Approach in Student Contact with Prospective Externship Employers
Please note that students review our list of pre-approved externship employers and decide which ones they would like to apply to for a position. Because over 150 employers are on our list, we cannot guarantee student interest in your office in any given semester. If you notify us of your particular interest in hiring USF students, however, we will make efforts through targeted emails and coordinate with the Office of Career Planning to highlight your opportunity.

New Employer Approval
An employer interested in participating in our Externship Programs may start the process by completing the Request for Approval of a New Agency form (also attached for your reference). To make sure that your externship posting receives timely attention, we recommend that you submit this paperwork to us by February 1st for a Summer session externship, May 1st for a Fall semester externship, and September 1st for a Spring semester externship.

If you have further questions about our Programs, please feel free to contact Program Assistant Allison Green. We look forward to working with you.

Sincerely,
Director and Assistant Professor
