Certification of Finances—For F-1 Student Visas

Estimated One-Year Budgets for International Graduate Students for 2015-2016

The total costs below are estimated and based on typical full-time course loads. U.S. immigration policies require that you verify funds for your first year of study at the University. Tuition and other costs may vary according to the number of courses you complete each year.

Please select from the following estimated budgets to determine the total cost for your first year of studies. Budgets are based on 9 months (two semesters) or 12 months depending on the program. If you bring dependents, please include enough funds for each dependent in your total amount. See Additional Expenses below.

Living Expenses includes rent (housing), food, and health insurance ($2,546 for one year). All students are automatically enrolled in the USF student health insurance plan. Visit www.usfca.edu/hps for student health insurance details and possible exemptions.

Other Expenses includes books and supplies, local transit pass, and personal expenses.

Possible Additional Expenses (not included in the above Total Costs):

a) International transportation between your home country and California.

b) Summer session costs (tuition, living expenses, etc.) if you plan to stay at USF for the summer, except for the Analytics, Biology, Chemistry, Museum Studies, Sport Management and Writing cost estimates which do include summer costs.

c) Dependents (spouse and/or children), $6,750 per dependent for 9 months or $9,000 per dependent for 12 months. These funds must be included in the Certification of Finances total amount.

* Living expenses reduced by $7,200 because of funds provided by Biology/Chemistry teaching assistantships.
