As a new graduate or undergraduate international student, do you have questions about USF, concerns about moving, or maybe just want to make some friends? If so, the USF Buddy Program may be of interest to you!

For the Spring 2013 semester, new international students will be able to meet other new students while learning from, asking advice from, and building a community with continuing USF students. The USF Buddy Program could help you with questions about campus resources, living in the Bay Area, and adjusting to new situations. You’ll have an opportunity to make new friends and create lasting memories while at USF. In the program you’ll have your own buddy group matched for you and a current USF student to help along the way. The program only meets twice a month, with the opportunity for more gatherings.

Maybe you want questions answered or maybe you just want a way to meet friends—whatever your reason is, if you would like to participate in the USF Buddy Program, please go to the ISSS office to fill out an application/commitment form. You can also find the application/commitment form on the Buddy program website at:

http://www.usfca.edu/ISSS/USF_Buddy_Program/

The deadline to complete and submit your USF Buddy Program application/commitment form is **WEDNESDAY, JANUARY 23rd.**
