Academic Advising Week
To help students plan their academic schedule at the law school and to address any questions about academic requirements, selecting elective courses, course sequencing, certificate programs or related matters prior to registration, the Deans’ Office will be holding Open Academic Advising the week of April 13th. We strongly encourage all 1Ls to participate in this program. Sign-ups for individual appointments will be posted in the Deans’ Office at the start of April and an email will be sent reminding students to sign-up.
Monday, April 13 – Friday, April 17, Deans’ Office

**NOTE:** Where sections are noted, those sessions are catered to that specific section. For all other sessions, the day and evening sessions are repeat presentations of the same program. If only one session is open, the session is open to all 1L students. The above schedule is subject to change. To find a copy of the most current schedule, please refer to the Students tab of the website at [http://www.law.usfca.edu/students/](http://www.law.usfca.edu/students/). Questions about the Continuing Advising Program? Contact Dean Dolly at eedolly@usfca.edu.
